

Flooding is the most common natural disaster in the US.
Most home insurance policies don't cover flood damages.

\$7,000/year
Average Flood
Insurance Policy

Rates start at
less than \$1/day

\$43,000
Average Flood
Insurance Claim

1 Inch of water can =
\$27,000 in repairs

DON'T WAIT

Flood insurance requires a
30-day waiting period.

By participating in the
Community Rating System
(Class 7), the City saves
residents on average
\$123 per policy and
\$621,954 per community.
