

NOTICE OF INTENTION TO ISSUE CERTIFICATES OF OBLIGATION

NOTICE IS HEREBY GIVEN that the City Council of the City of Bellaire, Texas (the "City"), will meet at the City Council Chambers, 7008 S. Rice Avenue, Bellaire, Texas 77401, at 6:00 p.m., on February 3, 2025, which is the time and place tentatively set for the passage of an ordinance and such other action as may be deemed necessary to authorize the issuance of certificates of obligation, in the maximum aggregate principal amount not to exceed \$7,000,000, payable from ad valorem taxes and from a limited pledge of a subordinate lien, which lien shall be in an amount not to exceed \$1,000, on the surplus revenues of the City's water and sewer system, bearing interest at any rate or rates not to exceed the maximum interest rate now or hereafter authorized by law, as shall be determined within the discretion of the City Council of the City at the time of issuance of the certificates of obligation, and maturing over a period not to exceed forty (40) years from the date of issuance, for the purposes of evidencing the indebtedness of the City for all or any part of the costs associated with (i) the purchase, acquisition, renovation and construction of land and a building for the City's Public Works Department; and (ii) the costs of professional services related thereto, and to pay the costs incurred in connection with the issuance of the Certificates. The estimated combined principal and interest required to pay the Certificates on time and in full is \$12,904,272. Such estimate is provided for illustrative purposes only and is based on an assumed interest rate of approximately 4.365%. Market conditions affecting interest rates vary based on factors beyond the control of the City, and the City cannot and does not guarantee a particular interest rate associated with the Certificates. As of the date of this notice, the aggregate principal amount outstanding of tax-supported debt obligations of the City is \$65,767,643. Based on the City's expectations, as of the date of this notice, the combined principal and interest required to pay all of the outstanding tax-supported debt obligations of the City (excluding public securities secured by an ad valorem tax but designated by the City as self-supporting) on time and in full is \$81,298,871.
